This is a rare opportunity to acquire a unique and historical local landmark property formally a post office offering a range of development opportunities and possibilities for the potential buyer.

The cottage post number 114 is in need of total restoration subject to the necessary approvals, there was an extension made to the cottage post number 116 and with a little work would leave it liveable.

This is in a prime location with a lot of options, in our opinion the property could be demolished and relocated beside the river or apply for planning for chalets or pods to invest in a multiple income venture. (All subject to planning approval)
